

**A Message From Stanley Area Historical Society
President David Jankoski**

The year 2020 will go down as a year of surprises for the Stanley Area Historical Society. Just as we thought the virus was the issue, we most had to deal with, the winter snows melted away and we again found a number of shingles on the ground. The original building (the one pictured above), has a roof on it that was placed there in 1984 – 36 years ago. Upon examination by our Building and Grounds Committee, we have discovered a need for the roof to be replaced, the under eaves are also needing major repairs as they are deteriorating in a number of places and the original entrance has some tuck pointing needing to be done. Unfortunately, our Building Fund did not have sufficient funds on hand to take care of these expenditures. My plea, thus is for any financial help you can provide for these expenditures. Bids were solicited and obtained from five contractors. Of those bids, the one selected is for \$21,000. Specialized tuck pointing is not included in that bid and will have to be done later. So please, do what you can – perhaps SAHS could be the recipient of a little of that stimulus check you received from the Federal Government. We hope you are among the many who have come to appreciate the work being done at our museum to preserve Stanley area history. Donations as memorials to loved ones for the roof replacement are welcomed. Please use the form found below for any donations to the roof project and simply designate them to the Building Fund. Thank you for what I hope will be your support and also for all the past help you may have provided. We have accomplished much together and I hope that will continue even in these difficult times.

Please remember that memberships, memorials, and general fund donations are the regular support depended on to cover our fixed expenses. Again, thank you for any and all your support of SAHS.

I WANT TO HELP! – I WANT TO HELP!

Clip this form and send it with your donation to SAHS, P. O. Box 142, Stanley WI 54768. Please add my donation to the SAHS Building Fund to help pay for the roof on the original Stanley Area Historical Society Museum Building, which has lasted 34 years.

Thank you for your support of this necessary project.
